Subject: Cancellation of Surety Bond Number M/051/0001, Star Stone Quarries, Heber
Quarry, M/051/0001, Wasatch County, Utah

Dear Sir or Madame:

The Utah Division of Oil, Gas and Mining (Division) received your letter dated February 24, 2015, regarding cancellation of surety bond 2H in the amount of \$122,800.00 effective 90 days from the Division's receipt of your letter. The Division received the letter March 4, 2015; 90 days from that date is June 2, 2015, which is the effective date of the cancellation identified in the letter. The mine operator, Star Stone Quarries, is being advised that a replacement surety must be provided by May 3, 2015.

Under the terms of the above referenced surety bond, Hudson Insurance Company remains liable for reclamation of the existing disturbance. If the surety is not replaced by May 3, 2015, the Division will immediately issue a cessation order to Star Stone Quarries and demand that it commence reclamation. Failure of Star Stone Quarries to reclaim the mine within 30 days of issuance of the cessation order may result in the Division making demand on Hudson Insurance Company to either proceed with reclamation or to pay to the Division the amount of the bond. If Hudson Insurance Company fails to complete reclamation or make payment as requested, the Division may proceed to file a Request for Agency Action with the Board of Oil, Gas and Mining to seek forfeiture of the bond.

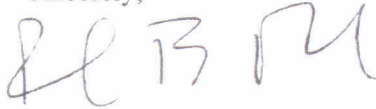

Please confirm that you remain responsible as surety for the reclamation of the existing disturbance. We also ask that you advise the Division immediately if there is any reason or if any conditions arise that may preclude you from continuing as surety for reclamation of the existing disturbance.

Dear Mr. Thomas:

The terms of the surety state that the bond may be cancelled by the Surety ninety (90) days following receipt by the Division and Principal of such cancellation.

Paragraph 5 of the Reclamation Contract, states the operator shall provide a replacement surety within sixty (60) days following the Division's receipt of the cancellation/termination notice. If you fail to provide a replacement surety by May 3, 2015, the Division will be forced to do any/some of the following:

- Carry out the terms of surety bond number
- Submit a request to the Board of Oil, Gas and Mining to withdraw the permit
- Order the cessation of mining operations
- Order immediate reclamation of all lands affected

If you have questions or require assistance regarding the surety, please contact Penny Berry (801) 538-5291 or by email at pennyberry@utah.gov. Thank you in advance for your prompt attention to this important permitting requirement.
